OVERVIEW

In 1986 the Mashantucket Pequot Tribal Nation opened the original high-stakes bingo hall and Altel furnished a small portable public address system in the original Bingo Hall. Today, Foxwoods is the largest resort casino in the world, with more than 315,000 square feet of gaming space in a complex that covers 4.7 million square feet, more than 40,000 guests visit Foxwoods each day. Accommodations at the resort total more than 1,400 guest rooms and suites, including the 312-room Great Cedar Hotel, the 280-room Two Trees Inn, and the Grand Pequot Tower, with more than 800 rooms. For conventions and group events, Foxwoods features more than 55,000 square feet of meeting space and 25 conference rooms. The resort hosts 24 restaurants. The Fox Theatre opened in 1993 with a concert series by Frank Sinatra. ALTEL furnished the technical production services for this very first show in the Fox Theater. The Foxwoods Arena, which opened in 1994 with a performance by Luciano Pavarotti, is designed to seat more than 4,000 people.

INSTALLATION NOTES

ALTEL Systems was honored to have been selected from a field of top-notch audiovisual systems integrators to accomplish the majority of Foxwoods audio and video systems installations. ALTEL Systems installed a world-class performance sound system for the Fox Theatre, a multi-faceted facility wide paging and background music system and various audiovisual systems designed specifically for retail spaces within the Foxwoods complex. The various projects were completed on time and within their specified budgets.
